Both Valois and I reviewed this and told Darcy we had no comment.

Lucita/Elyana – Powertech has asked if we need any additional information beyond what is in the attached letter to process a request to withdraw a portion of a permit application. I'd like to get legal input tomorrow (Friday 12/9) if possible. Would either of you have the opportunity to review and verify if anything further is needed? Also, what response (if any) would we be required to provide?

Thanks!

D
